As a Christian school, Aletheia Christian Academy is committed to the teachings of the Bible and we are persuaded that there should be a direct relationship between what a Christian student believes and how he or she behaves both on and off campus and over the internet. Therefore, it is required that all students abstain from the use of tobacco, alcoholic beverages, illegal drugs, profane language and immoral behavior. In addition, students should not be using the internet to send out pictures or text of a suggestive, immoral, or violent nature or to publish comments that are derogatory towards other students, the school, or its staff. Students should review the Social Media Policy found in Aletheia's Parent/Student Handbook to ensure they are aware of the standards Aletheia upholds in this area.

Violations are considered as breaking a firm commitment that each student makes when voluntarily choosing to attend the school. As a member of Aletheia Christian Academy, you will be expected to exert a positive influence in your social relationships and to be a responsible member of the Aletheia Christian Academy community.

Please review our "Expected Student Outcomes" below. These are the discipleship and educational goals we purpose to achieve in the lives of all our students. We look forward to meeting with you and seeing what great things God is doing in your life.
