

Voluntary Pre-Kindergarten Program (VPK)

In keeping with our efforts to provide children and families in our community with a quality early education program, Aletheia Christian Academy (ACA) is pleased to offer Florida's Voluntary Pre-kindergarten Program (VPK) to our qualifying four-year-olds. To qualify for VPK's free program, a child has to turn 4 by September 1 of that year.

Our VPK class instructional hours are **Monday – Thursday** from **8:00 – 12:00** for 135 days or 540 hours. At orientation, enrolled families receive a yearly calendar outlining starting and ending dates and all scheduled days off, as well as make-up days for severe weather closings. There will be a 1:11 ratio teacher to children or 2:14 with a second staff person/teacher's aide during the regular VPK class.

Aletheia's academic program will focus on reading/phonics, math and Bible. The program also integrates social studies, science, music and art through unit work, and PE will be offered daily.
